

The Grubby Cubby

The Newsletter of the 5th/6th Central Moorabbin Cub Pack
March 2010

AKELAS HOWL

Welcome to the first edition of the Grubby Cubby, the newsletter for our cub pack. We've had a very busy start to the year, with an outing to the beach on our second night back for our Rock Ramble, which everyone seemed to enjoy. Last week we hosted the Glen Eira/Stonnington District Founders Day celebrations, which was a great success. Around 85 Cubs from the district attended, which was great to see.

This year we also welcome some new arrivals into the pack. We're very fortunate to have Caroline Jones come across to us from another pack, to become our fourth leader. We also welcome some new chums Benji and Luke, and Joeys Rory and Patrick who are linking. We'll be getting a couple of more new arrivals soon, so welcome to those cubs also.

This month we have a lot of events happening, including a very exciting outing towards the end of the month, but more details will follow for that.

With a big year ahead, I encourage everyone to get involved in as much as they can, whether it be completing badge work, or attending outings and camps.

In future editions of Grubby Cubby we will have a lot more information and hopefully some entries from the cubs about our camp and the special outing.

Look forward to a great year everyone, the leaders certainly are!!

Yours in Cubbing,
Akela

What's happening in March?
