SKATE PARK

What is The Bunker Skate Park?

"There might be a few outdoor skate parks around - but how often do you get the chance to practice what you REALLY want to do at them?"

Does your local skate park have:

- Half pipes?
- A resi mat?
- Grinding rails?
- Ramps for jumps, or
- A massive foam pit?
- Hmm, not likely... ;-)

Whilst plebs are wasting away their weekends at parks that are choccas you could be carving up some new tricks and daring your buddies into flips and twists on jumps! Bunker is designed so everyone gets a shot so you can skate more without having to wait"

So whether your a pro already or never skated before come along and try out a few tricks.

When: 7.00pm - 9.30pm Tuesday 17th May

Cost: \$10
